Hi Bruce,

I have two small requests, one regarding the monthly work plan report and another pertaining to locational/GIS information for the facilities in the attachment below. Please copy Dean Maraldo (maraldo.dean@epa.gov) our Branch Chief and myself (coleman.james@epa.gov) on any future reports. In addition, if you can provide address or lat/long information so we can graph the facilities in the attachment I would greatly appreciate it. Thanks
